

# WELLINGTON WANDERERS CRICKET CLUB 77TH ANNUAL REPORT 2022- 23 SEASON

Proudly partnered with

# WCC

WANDERERS  
CRICKET CLUB EST. 1946

**DEDICATED TO YOUNG CRICKETERS  
WHO KEEP ALIVE THE TRADITIONS OF  
THE GAME THROUGH GENERATIONS**

## **OUR OBJECTIVES**

TO PROVIDE CRICKETERS AND ENTHUSIASTS WITH AN OPPORTUNITY OF PLAYING SOCIAL CRICKET WITH THEIR CONTEMPORARIES AND TO ENCOURAGE THE GAME BY PARTICIPATION IN MATCHES AGAINST SCHOOLS AND COLLEGES IN NEW ZEALAND.

WILLIE MARSHALL

# PRESIDENT'S REPORT

With Covid no longer cricket's disrupter, the 2022/23 season will be remembered for rain, and plenty of it. With weather bombs curtailing many fixtures, the Club has certainly not stood still. Over the past 12 months we have seen an increase in the number of games played, including the introduction of Wanderers' girls' cricket; the launch of the Youth Cricket Academy; hosting numerous events; and opening the new clubrooms at the Cello Basin Reserve. All whilst growing our membership, and energising a real sense of belonging within the Club, for all members. The partnership with Cricket Wellington can only be viewed as a game changer, streamlining our Club's operations. The finances have improved significantly over the last 12 months as well, with an even stronger financial position expected over the next year. I touch on the finances as these are hugely important to what the Club is all about. A strong financial status provides opportunities to youth cricketers and having the resources to do more in this space, is what drives the Committee, and what we should all be excited about supporting, as Wanderers.

## CRICKET

The summer usually starts in Whanganui against the Collegiate 1st XI, but this was the first of several schools' games that never got underway due to the damp conditions. In all we played 10 games against schoolboy 1st XIs, with some excellent results for the Club. We also arranged three Wanderers' girls' fixtures, the first being held at Kelburn Park against Wellington Girls' College, which was very well followed. The Club also held our first girls' and boys' double header college matches against the Hutt Valley High School 1st XIs, and we have two of these double header fixtures already lined up for the upcoming season, as we continue to foster and support girls in cricket.

Twin T20s between Wanderers' sides and the Governor-General's boys' and girls' XIs were held on the Basin Reserve during the Cricket Wellington community week. The Wanderers' Schoolboys XI played the Willows Cricket Club selection of the best South Island school boys a few days later, and these are the marquee school fixtures on our calendar. A big thank you to Matthew Roche, Matt Wills, Hamish Marshall, and Pete Holland for running these days, which saw some explosive youth talent on show, with two New Zealand Under-19 representatives, and numerous Wellington U19's turning out for Wanderers. In total the Club was able to provide 50 schoolboys and girls the opportunity to play on the iconic ground, whilst we hosted their families in the Long Room.

Kindred cricket, continues to shine, evidenced by the first ever Wanderers over-50s team touring the Hawkes Bay. This would not have got off the ground if not for the superb organisation of Brian 'Stretch' Steele and Tom Lancaster. This has been an area we have been really pushing, connecting playing members of all ages, and encouraging them to get involved in playing the other Kindred clubs around the country. Other Kindred games were played at the beautiful Black Cottage in Blenheim, one of the finest cricket venues in the country, set amongst the vines. Devonport Domain hosted the NZ Kindred Cup, and a Tri-series on the Basin Reserve involving the Clifton County Cricket Club and the Greytown Cricket Club. Scott McHardy led a group of Wanderers to play the New Zealand Army at their home ground in Waiouru, and although Monty's men were beaten, it's not often you get to have your post-match at an army barracks.

## ACADEMY

The introduction of this wonderful initiative has been so well received, and the Club sincerely thanks the many coaches who shared their time and experiences with our first intake. The Wanderers' Young Cricketer's Academy was designed and integrated by Jeremy Dean to support a wider range of youth cricketers in Wellington and the lower North Island. It provides an academy experience to cricketers from areas and schools that do not get the same opportunities and access to high level coaching, facilities, and mentoring, as players from more established cricket schools. Sixteen boys and girls graduated from the inaugural programme, and planning is underway to extend this number to capture more entrant's next season.

## EVENTS

Throughout the year we ran seven events which were all very well attended. Highlights were the annual golf day, which attracted 200 plus attendees at Shandon Golf Club; Ross Taylor's book launch in the Gazley Motors showroom, and the Test match breakfast in the Norwood

Room on the first morning of the England international, with a duo of high-quality speakers in John Bracewell and Dion Nash. With membership numbers on the increase, we now have a good problem in that interest for these occasions is high.

## CLUBROOMS

At the AGM in October former President and Life Member Richard Allan officially opened the Peter Field Clubrooms, at the top right-hand side of the RA Vance Stand. This is an iconic viewing area which the Club is extremely humbled to have secured and I encourage you all to make use of this wonderful facility. Seeing our very own Clubrooms jam-packed with Wanderers' blazers on the afternoon of that first day versus England was something truly special.

## COMMITTEE

We are all another year older, but what hasn't changed is the enormous effort that those on the Committee continue to make to assist our members, and the wider cricket community. While thank-you never seems enough, I do wish to sincerely acknowledge the committee members and the heavy workload you all undertake in enabling the Club to produce what we do year on year. You all strive to elevate the Club through finding new ways of providing member experiences and engagement. From membership, funding applications, events, the Youth Academy, game management, finance etc, the list goes on, but it is certainly appreciated, and I am extremely grateful to you all.

We have also had some great additions. Liz Green, Nick Whittington, and Hamish Marshall have all made huge contributions in their first 12 months. Long-standing officers and Life Members Paul Steele and Alasdair McBeth stood down at the last AGM. Your efforts and enthusiasm over the many years to maintain the ethos of the Wanderers in some challenging times are applauded, and I thank you both for your guidance and mentoring. Finally, to Matt Wills who is stepping down to travel overseas, we hope to see you back at the table in a few years, but whilst you take a break, thank you for everything you have given, certainly this season which I know was personally demanding.

## **PARTNERSHIPS AND RELATIONSHIPS**

Last year we entered into a working partnership with Cricket Wellington which has enabled us to scale up significantly and deliver greater experiences both on and off the field. Streamlining the Wanderers' vested interests around connecting past players and supporters of cricket, and growing the game in the youth space, has a natural alignment with Cricket Wellington. The partnership has enabled access to Cricket Wellington's network, and facilities, and provided our Club a greater profile in the community. I thank them for being extremely welcoming and making this alliance so easy. None of this would have been possible without Cam Mitchell's vision, and leadership, and there is no doubt he is leaving cricket in our region in a much better place than when he arrived. We are all grateful to Cam and wish him well at Athletics New Zealand. We also say goodbye to Bridget Marston, who has been exceptional in her role as our club administrator. Personally, working with Bridget closely on Club matters has been a privilege. We hope to see both in our Clubrooms over the many seasons ahead.

The continual support from the gaming trusts is also acknowledged. We know there is a vast array of organisations they can support, so thank you all for the funding you have afforded the Club, which is having a positive impact on young cricketers in greater Wellington.

## **MEMBERS**

To conclude, it goes without saying that the Wanderers' Cricket Club's lifeline is our membership. To achieve the objectives for our up-and-coming young players, the generosity of our members is crucial, and I sincerely thank you all for your support, and for the many ways you contribute. The committee is continually looking at ways we can offer more value to our members, and we're always listening and learning. We understand the need to adapt and create new ways of engaging and interacting with the next generation of members too, so the Club remains relevant, whilst continuing to respect the history that Dutchy du Chateau, John Standish and others began.

So here is to a prosperous, healthy, and successful season ahead for the Wanderers and all our members. I look forward to welcoming many of you to our AGM, and seeing you over the upcoming season.

Willie Marshall  
President

BY JEREMY DEAN

# YOUNG CRICKETERS PROGRAMME

In November the Wanderers' Young Cricketers' Programme embarked on its inaugural season, exemplifying our commitment to widening cricket's horizon in Wellington. We focused on nurturing talent from less privileged areas and schools, which often lag behind in sporting opportunities compared to established cricket schools. This past season saw tremendous progress, growth, and dedication from our young cricketers, sparking hope for a more inclusive future for cricket in the Capital.

Thirteen young cricketers from across the Wellington region were selected to be a part of our programme. The players were Meika Joyce & Katherine Hickey (St Catherine's College), Hadlee Vernon & Toby Tomkies (Tawa College), Keisha Pegg & Kendyll Cooper (Heretaunga College), Fraser O'Regan-Smith & Rico Taylor (Rongotai College), Gabriella Esterhuize & Riley Watkin (Aotea College), Cara McCully (Newlands College), Carys Seddon (Samuel Marsden Collegiate) and Saad Asif (St Bernard's College). Their involvement has brought the diversity and range we strive for in our programme.

Our young cricketers were privileged to work closely with Wellington's finest coaches and players, an enriching experience that exposed them to professional insights, advice, and support. Special thanks to Grant Elliott, Hamish Marshall, Glenn Pocknall, Justine Duncie, Peter Younghusband, Sean McCleary, Liz Green, Bex Burns, Paul Young, Mark Borthwick, and Duncan Murray for their voluntary contributions.

The programme benefited immensely from the support of our Wanderers' CC Dutchy du Chateau Members. Each Dutchy membership includes a generous \$100 donation to our Young Cricketers' Programme. Their contributions enabled us to run two specialist clinics throughout the season: one for mental skills with Tina Manker, and one covering nutrition for performance and recovery with Sean McCleary. These clinics have imparted essential skills and knowledge for holistic cricket development.

We are grateful to Scott Lindsay and Kilbirnie Sports for their sponsorship, which helped us provide our young cricketers with high-quality coaching equipment, an essential tool for their development in the game.

The progress made in the past season attests to the potential and promise of this programme. It has been a season of learning, growth, and resilience. Our young cricketers have shown a highly creditable spirit to learn and succeed. They are the future of cricket in Wellington and we look forward to nurturing and cultivating more talented young players in the coming years. Together, we aim to level the playing field in cricket and make this beloved sport more accessible to all.

As we look forward to next season, we remain committed to our vision, and with your support, we can continue to shape the future of cricket in Wellington. Let's keep the momentum going!

# PETER FIELD CLUBROOMS REPORT

This year marked a major milestone for our Club. We had the honour of moving into our new Peter Field Clubrooms at the top of the Cello Basin Reserve RA Vance Stand, an enviable location in the world of cricket real estate. As we celebrate the first anniversary of occupying these outstanding clubrooms, we express our profound sense of privilege in calling this our home.

We had the pleasure of hosting distinguished guests during the season. Representatives from WWCC Life Members, Cricket Wellington, New Zealand Cricket Players Association (NZCPA), and New Zealand Cricket (NZC) graced us with their presence. We also welcomed young cricketers and their families from the Wanderers Young Cricketers programme. Additionally, we extended our camaraderie to fellow Kindred Cricket Clubs including United Country & Vineyards, Seddon Cricket Club, Old Tablelands CC, among others.

Looking ahead to the upcoming season, we have ambitious plans to further leverage the facilities of our clubrooms for a variety of events. A new Clubrooms Entry Plan has been developed specifically for Test Matches, aimed at providing all our members and guests with an unparalleled view of the game.

We owe a debt of gratitude to the Basin Reserve Trust and Alan Isaac for their indispensable roles in making the Peter Field Clubrooms a reality for our club. The opportunity to call the Basin Reserve our home is an extraordinary privilege, one that we shall never take for granted.

# SPECIAL FIXTURES MATCH REPORTS

# WANDERERS' TRI SERIES

Greytown was the eventual winner of the day, with two wins. Congrats to Tim Fenwick and his team.

Players of the Day Jason Eaton,  
Ed Reid and Elliott Guy

# NZ KINDRED CUP TOURNAMENT RECAP

In early November, the Wanderers' Kindred side embarked on a journey to Devonport, Auckland, to participate in the 2022 NZ Kindred Cup. The team boasted a talented line up, including five former first-class cricketers, and entered the tournament with lofty aspirations.

Despite falling short of their pre-tournament expectations and experiencing defeats in all three closely contested matches, the Wanderers team showcased the true essence of cricket by playing the game in the right spirit. The camaraderie and sportsmanship displayed by all involved left a positive impact, and the team eagerly anticipates the next edition of the Kindred Cup, set to take place early in 2024.

Thanks to Kent Currie and Brett Hollister for their exceptional efforts in organising and ensuring the success of the weekend. The Kindred Cup continues to elevate in quality with each passing year, and the NZSCC (New Zealand Sports and Cultural Club) can take immense pride in their flawless delivery of the event, right down to the spectacular fireworks display.

The Wanderers take great pride in being an active participant in the Kindred Cricket movement. While acknowledging that we may not always be contenders for the top prize, the team values the essence of the weekend, which lies in playing cricket the right way and sharing the company of good-hearted individuals from all corners of New Zealand. Regardless of the outcomes on the field, the players enjoy a well-deserved drink and sharing laughter, as it is these moments that truly energise and epitomise the Kindred Cup experience.

## NZ KINDRED CUP HABERDASHERS CC

The opening match of the NZ Kindred Cup held at North Shore Cricket Club in Devonport was a thrilling encounter against Haberdashers CC, with Wanderers eventually falling short in the final over.

Jeremy Dean led the charge with a solid knock of 45, supported by Scott Weenink with 34 runs, and Richard Petrie, 21 to the Wanderers total of 159. In the field, Wanderers took early wickets, before Haberdashers strategically rearranged their batting order, resulting in a remarkable comeback. Despite being 67/4 at one stage, they ultimately clinched the victory.

Jack Castle claimed two wickets for 37 runs, while Scott Weenink took two wickets for 19 runs. Notably, Haberdashers' D Hall emerged as the standout performer, smashing an unbeaten 45 in quick time while batting at number nine, ultimately securing the win for his team.

This match also marked the Wanderers' debuts of Richard Jones and Scott Weenink.

## NZ KINDRED CUP UNITED COUNTRY & VINEYARDS CC

In the second match of NZ Kindred Cup, we fell short against the Marlborough Winemakers representing United Country & Vineyards CC. Opting to bat first, the Wanderers managed a decent but not exceptional total of 120 runs from 20 overs. While several of our batsmen got off to good starts, none were able to convert into big scores.

Richard Petrie top-scored with 26, while Scott Weenink, Richard Jones, and Stephen Mather each made 17. For the United Country & Vineyards CC Shand claimed two wickets for just two runs, while Dave Clouston and Simon Muir also took two wickets.

In response, UC&V comfortably chased down the target in 17 overs. Willie Marshall made a notable contribution, taking two wickets for 13 off three overs. Scott Weenink proved to be a difficult bowler to score against on a pitch that offered considerable turn, as he finished with figures of 2-11 off his four overs. Duncan Grigg remained unbeaten on 30 runs, and Tarin Mason played a quick-fire innings of 22 runs, making their victory a comfortable one.

## NZ KINDRED CUP GREYTOWN CC

In the third match of the weekend, the Wanderers went down to Greytown CC. Greytown won the toss and elected to bat, posting a commendable total of 132 from a shortened 15 overs.

Kirk Saunders, batting at first drop for Greytown, played an impressive innings, scoring a quickfire 51 off just 21 balls. Stephen Mather was the standout bowler for Wanderers, taking 2 wickets for 19 in his two overs. Willie Marshall, Richard Petrie, Jack Castle, and Scott Weenink also contributed with a wicket each.

In the pursuit of 133 for victory, Wanderers once again took the match down to the wire. They required 9 from the final over with one wicket remaining, but unfortunately were bowled out for 128, falling 5 runs short of the target. Despite the loss, Jack Castle provided some lower-order heroics, smashing 22 runs off just a few deliveries. Stephen Mather top scored with 37, closely followed by Richard Jones with 34.

The players put in a tremendous effort throughout the weekend's matches, resulting in some tired bodies by the end of the final game. With the 2024 NZ Kindred Cup scheduled in 18 months' time, Wanderers now have ample opportunity to prepare themselves for the next edition.

# GOVERNOR-GENERAL'S FIXTURES

As part of our partnership with Cricket Wellington, we were privileged to host our marquee fixtures versus the Governor-General's Schoolboys' and Schoolgirls' XIs at the Cello Basin Reserve. These games were played back-to-back on a beautiful Wellington day. Across the two fixtures, a total of 14 colleges and 10 clubs were represented.

The opportunity for players to have their names appear on the scoreboard at the home of cricket was a highlight, and it was great to have two experienced umpires. Evan Watkin spoke to both captains about the importance of the spirit of cricket and used his special Don Bradman / Queen Elizabeth II coin to get proceedings underway.

The Wanderers would like to thank match managers Richard Francis, Caitlin King, Matt Wills and Matt Roche for pulling together the teams and leading the players on the day, the ground staff, scorers, umpires, and of course the players.

### **Schoolgirls' Match**

Interaction between the teams was fantastic, with Blaze players, leading club cricketers and young, emerging talent mixing on the hallowed turf. The team photo incorporated the Schoolgirls in their blazers and the Wanderers in their new kit, which looked flash. After early wobbles, the Governor-General's team built crucial partnerships at the end with Hannah Francis (28\* off 28), Hannah Ryan (24 off 25) and Ava Conroy (19 off 20) setting up a defendable score on the big boundaries. Blaze player Caitlin King (47\* off 33) led from the front for the Wanderers and combined with Neha Ramanathan (20 off 25) for a match-defining 72-run partnership.

### **Schoolboys' Match**

Put into bat, the Wanderers got off to a flying start through the flashing blades of Lachie Bailey and Caleb Montague. The Schoolboys looked to be in trouble with the score at 50 for the loss of no wickets after six overs before tight bowling through the middle saw the Wanderers lose quick wickets. A series of cameos saw them finish their 20 overs with a total of 130-9.

With the ball, the Wanderers immediately set the tempo, picking up quick wickets through the opening combination of Sahir Hussain and Jacob Madigan. Ben Stephen for the Schoolboys wrestled back the momentum with some powerful shots before the Wanderers picked up his key wicket. This led to the eagerly anticipated match-up of Marco Scoble (Schoolboys) v Matt Scoble (Wanderers) for household bragging rights. The youngster, Marco seized the initiative through a series of ramps and deflections resulting in Matt's departure from the bowling attack. The late introduction of spin proved effective and applied the brakes in a timely manner with the Schoolboys ultimately falling 11 runs short as their overs expired.

# UNITED COUNTRY & VINEYARDS CC

**21 JANUARY 2023**

Over Wellington Anniversary weekend, our Kindred team and their families travelled to Blenheim to take on the United Country and Vineyards team at Black Cottage. Thank you to Dave Clouston and the entire UC&V team, families and local community for their welcome and generous hospitality over the weekend. We felt privileged and grateful to be invited to such a unique place. And what a memorable game it was, with the first match for the inaugural Cook Strait Classic Cup coming down to the last ball of the 80th over.

Wanderers won by a single run as the home side came up agonisingly short. Neither team gave up and fought to the end in an absolute thriller. We can't wait to return the invitation in 2024 when UC&V make the trip over to play for the Cup again.

Wanderers lost the toss and were put into bat at the picturesque Black Cottage ground, losing a wicket in the first over to the reliable left-arm swing bowling of Dave Clouston on a challenging surface. With pressure being built by the pace and bounce of Tarin Mason, the Wanderers struggled for runs early. A tidy partnership by Andrew Wilson and Steve Mather settled the innings, but eventually, wickets started to tumble. Jeremy Dean scored a polished 76, anchoring the innings and some short but brutal swinging from Jack Castle and Brent Coffey saw the Wanderers to a par score of 200 all out in the 40th over.

The run chase by UC&V got off to the flyer. Mason again in the action with Darcey Hooper-Smith showing how to bat on the surface, was looking to close the game out early when the score was 84-1 after 9 overs. Some tidy middle overs from Hamish Marshall and Steve Mather pegged the chase, and wickets started to fall. Wanderers somehow found their way back into the game aided by some slick outfield catching which has been a weakness in recent times. At 159-9, with 12 overs to go, UC&V showed serious grit with Simon Clark and Wayne Young chipping away at the total eventually getting through to 199 in the 38th before Willie Marshall bowled a maiden in the 39th. Andrew Wilson and Jeremy Dean combined for a stumping in the 40th to see the Wanderers home in an epic battle which if played out again could easily have been a result to the hosts.

The game was attended by family members from both sides, along with many locals. The venue has to be described as unreal, one of the great cricket grounds in New Zealand. The game was played in a hard-fought, competitive spirit, and the after-match went well into the wee hours enjoyed by all. We look forward to hosting UC&V in 2024 for the second edition of the Cook Strait Classic.

# NZ ARMY

**9 FEBRUARY 2023**

Wanderers received a special invitation from Brigadier Hugh McAslan and the New Zealand Army to travel north to Waiouru. The morning of the fixture saw the key sliding easily into the pitch, providing an interesting playing surface. Being New Zealand's highest-altitude cricket venue, the team hoped for some extra carry on the ball.

The Wanderers put up a commendable bowling performance, restricting the NZ Army to 152-9 in their allotted 40 overs. Jono Reid stood out with figures of 4-31 off 8 overs, closely followed by Stephen Hewson, with 4-34 off his 8 overs. In response, Wanderers' batting line up faced a challenging task and unfortunately fell short, being dismissed for 116. However, there were noteworthy contributions from Chris Jeffries (42), Tom Lancaster (32), and Martin Pike (27). The Army lads showcased exceptional fielding skills, taking every opportunity that came their way, including a couple of stunning catches. While the Wanderers may have ended up on the losing side, the weekend held significance beyond the field.

The weekend served as a memorable experience for the team, as they forged connections and shared moments with the New Zealand Army players. It was a weekend that encompassed more than just the results on the scoreboard, creating lasting memories and meaningful experiences for everyone involved.

# THE WILLOWS

**3 APRIL 2023**

The concluding fixture of the season was a notable highlight as we hosted a team of college cricketers from the Loburn-based Willows CC making their biennial trip north to meet a Wanderers' Youth XI on the Cello Basin Reserve.

Accompanying the players was Willows' President Paul Rutledge and a good number of parents. The team was coached by Paul, Martin Kelly and his brother Dave, who had been a teammate of Wanderers' coach Hamish Marshall in the 1997/98 NZ Under-19 team. Willie Marshall and Peter Holland managed the Wanderers' side.

Rain delayed the start of the game, which provided an opportunity to look around the New Zealand Cricket Museum in the Old Stand. This was followed by lunch in the Norwood Room, after which David, Hamish and Willie each had some well-chosen words for the boys. The rain had cleared enough for play to start, and the game was reduced to 23 overs-per-side. Batting first the Wanderers' XI reached 203-4 with HIBS' Jack Gaskin

hammering 88. Oliver Tewatiya from Hutt Valley High School made 41, and Wellington College's Gaurav Navalkar 54\*. Best of the bowlers was St Thomas of Canterbury's Flynn Mckendry with 2-14.

Sharp bowling and fielding by the locals saw the Willows dismissed for 108, with impressive left-arm spinner Nathan Chin from Tawa College taking 3-30. Menacing Wellington College fast bowler Ryan Tsourgas had figures of 1-4. Whanganui Collegiate's Micky Peacock top-scored for the visitors with 24, while Brayden McLeod from Rangiora High School made 19\*.

The game was played in a very good spirit with several high-quality cricketers on display. Our thanks go to umpires John Dent and Zak Hussain for coping marvellously in the difficult conditions. .

We look forward to March 2024 when it will be the Wanderers' turn to play at the beautiful Willows ground.

# EVENTS RECAP

# AGM & CLUBROOMS OPENING

On 28th September, we marked an important milestone with our 2022 Annual General Meeting and the official unveiling of our brand-new Peter Field Clubrooms, atop the esteemed RA Vance Stand at the Cello Basin Reserve.

This AGM held special significance, as it served as a platform to commemorate the culmination of various ambitious ventures undertaken during the off-season. Notably, we embarked on a series of exciting projects aimed at elevating our club's offerings and enhancing the cricketing experience for all involved.

These initiatives included the establishment of our state-of-the-art Clubrooms, the implementation of a dynamic youth

cricket programme designed to better cater to the needs of young cricketers, and the introduction of a revamped membership model.

The 2022 AGM represented a celebration of new beginnings and the realisation of our collective vision.

The establishment of our Peter Field Clubrooms, the launch of the Wanderers' Young Cricketers Programme, and the evolution of our membership model signify our pursuit of excellence and our commitment to nurturing talent at all levels.

# WANDERERS CC WHITE ROSE GOLF DAY

---

The highly anticipated Annual White Rose Golf Day took place on 14th October at the prestigious Shandon Golf Club, and it proved to be yet another success, leaving participants and attendees with lasting memories.

Claiming victory in a thrilling competition, the team from Eastern Suburbs CC, comprising of John Gloag, Andrew Fullerton-Smith, Ronnie Nathu, and Lance Dry, emerged as the proud winners of the coveted White Rose Golf Trophy. Their triumph was hard-fought, with victory achieved by the narrowest of margins.

Notably, another Eastern Suburbs CC team of Joe Consedine, Jimad Kahn, Jeremy Dean and Rohan Nathu showcased their prowess by finishing in second-place. The Shoe Clinic four secured a commendable third-place finish.

The success of the Golf Day would not have been possible without the invaluable support of our sponsors.

We extend gratitude to Kāpura, Fortune Favours, Shandon Golf Club, and Gazley for their commitment to ensuring the smooth running of this event. Their dedication and contributions were instrumental in creating a memorable experience for all involved.

We are also grateful to Acme & Co, Sky Stadium, Nicki Cruickshank, and Cricket Wellington for their generous donations of prizes and items for the auction. We thank them for their generosity and willingness to contribute to the success of the event.

Last but not least, we extend a special thank you to Ben Ryan of Tommy's Real Estate for his exceptional skills in managing the auction. Ben's expertise and professionalism ensured that the auction ran seamlessly, captivating the participants and maximising fundraising efforts of the event.

# WANDERERS CC FOUNDERS & FAMILY DAY

It was great to see so many Wanderers, from young to old, coming together at the Founders & Family Day. We had a fantastic mix of guests, including Life Members, Dutchy Du Chateau Members, John Standish Members, along with friends and family, all gathering at the Cello Basin Reserve to soak up the cricket action. Thanks also to our Wanderers Young Cricketers and their guardians who joined us for the day to cheer on the Blaze and Firebirds.

We are grateful to call the Cello Basin Reserve our home and to have the privilege of watching cricket from one of the best vantage points at the Basin. Our New Peter Field Clubrooms are a symbol of the club's growth and commitment

to providing an exceptional experience for all members.

The Day wasn't just about cricket though. It was a day to connect with fellow Wanderers, to make new friends, and to celebrate the rich history of our club. The conversations flowed freely, and laughter filled the air. This event was a true testament to the spirit of sportsmanship and the sense of community that makes the Wanderers Club so special.

Founders and Family Day was one to remember, reminding us of our roots, honouring our past, and fuelling our excitement for the future.

# TEST MATCH BREAKFAST

---

The return of Test Match cricket to the Cello Basin Reserve was accompanied by a special tradition of Wanderers Cricket Club – the Annual Test Match Breakfast.

It was an enjoyable affair held on the 24th of February in the Norwood Room. Bright and early on Day 1 of the England Test Match the Norwood Room buzzed with excitement, creating an unforgettable vibe that set the stage for an outstanding morning.

We were privileged to have two former BLACKCAPS players, Dion Nash and John Bracewell, attend the Breakfast.

Guests were captivated as Dion and John shared their invaluable insights and captivating anecdotes, providing a glimpse into their extraordinary journeys both on and off the cricket field.

The Breakfast once again proved to be a resounding success. It served as a testament to the enduring spirit of the game and its ability to bring together fans, players, and cricketing legends.

The camaraderie, stories shared, and memories created during this event will leave an indelible mark on the hearts of all those in attendance.

# SUNDAY TEST MATCH LUNCHEON

---

We gathered for our inaugural Sunday Members' Luncheon on Day 3 of the Sri Lanka Test Match in March. We were fortunate to be joined by two Wellington Firebird players, Logan van Beek and Pete Younghusband. This pair joined us for the Luncheon, creating an atmosphere of excitement.

The afternoon unfolded with a captivating Q&A panel, expertly hosted by Life Member Bryan Waddle, while enjoying lunch and watching the thrilling on-field action of the third session of the day from

the Norwood Room. After the luncheon, members and guests moved up to the Peter Fields Clubrooms to watch the remainder of the day's play. The atmosphere remained electric as everyone settled the ongoing Test Match

It was an exceptional occasion, made even more special by the attendance of guests, including Cricket Wellington Board Members and Cricket Wellington Umpires and Scorers Association Umpires. Thanks to Logan, Pete and Bryan for making the event one to remember.

21 May 1940 –  
26 June 2023

# BRUCE HEATHER

Bruce was a fine cricketer and rugby player, an active supporter of youth sport and a friend to many. He was a life member and legend of the Onslow Cricket Club, having played for 50 years, been on the committee for almost 20 years and been Patron since 2017.

Bruce joined the senior Onslow CC in 1959 after leaving Wellington College and over the next five decades he played for teams in every grade from senior down, captaining many of them. He took a club record 1501 wickets and scored some 5000 runs, including a couple of centuries. An opening right-arm bowler in his early days Bruce became a canny medium-pacer, noted for his accuracy and his ability to move the ball away from right-handers. He played often for Wanderers through the 1960s, 1970s and 1980s, and is remembered for his infectious enthusiasm and doing much to encourage young players along the way.

As the years went by, Bruce played in many Golden Oldies festivals, here, as well as in Australia and England, and for various Rotary International sides against visiting teams.

After retiring from cricket following the 2008/09 season Bruce became Patron of OCC's fund-raising arm the Onslow Cricket Foundation. He had a lifelong interest in statistics and put together booklets to commemorate Onslow CC's 50th and 60th anniversaries in 1980 and 1990, as well as for the Onslow Rugby Club's 50th anniversary in 1976.

In later years Bruce lived in Otaki and he is survived by his wife Margaret, their daughters Gail and Jane, son Grant; and their six grandchildren.

## SECONDARY SCHOOL MATCH REPORTS

# RATHKEALE COLLEGE

27 NOVEMBER 2022

Despite the rainy weather conditions, the game got underway as planned, and all players displayed their exceptional skills and sportsmanship throughout the match.

One of the standout performers was Marco Scoble, a 15-year-old player for the Wanderers who took five wickets and impressed everyone with his incredible talent. Another who deserves recognition for his impressive performance is Scott McHardy, who pulled off some fantastic stumpings.

The College team also had some strong performers, including Flynn Register and James Church, with their last wicket partnership ultimately securing victory.

The team deserves credit for their teamwork and perseverance.

The match was a family affair, with Paul Bracewell playing alongside his two sons, Riley and Tom, which added excitement and emotional attachment. Priyanaz Chatterji from the women's team showcased her skills and played exceptionally well.

Rathkeale's Oval is one of the best cricket grounds in the Wellington region, and this, along with the College's generous hosting made the entire experience even more enjoyable and memorable for everyone.

# WELLINGTON GIRLS' COLLEGE

12 DECEMBER 2022

This was the Wanderers' first women's match against a Girls' College XI and was played on a lovely summer evening on the picturesque Kelburn Park.

Nicole Baird started the Wanderers off in style in the first over of the second innings with an unanswerable delivery to Nell McCrystal that sent the wickets flying. Kate Palmer of the Wanderers took a screamer of a catch at short leg off Peta Freeman's bowling that nearly took her off her feet, to send one of WGC's power batters, Eva Hay, walking.

Beth Molony scored 34 off 34 with 6 fours, and Lily Campbell 27 of 50 balls with 4 fours, before both retiring.

The most economical Wanderers bowlers was Nicole Baird with 1-2 (Nell McCrystal). Amelia Newell took 1-8 (Emily McArdle), Peta Freeman 1-11 and Katie Hickey 1-22.

The evening was nicely concluded with a BBQ for all. A big thank you to William Marshall, Brian Steele, Nicole Baird, Anirudha Chitre and Scott Ryland for all their support, whether supporting the game, umpiring, organising teams, or manning the BBQ. We couldn't have had such a great time without their behind-the-scenes work.

# SCOTS COLLEGE

15 JANUARY 2023

Wanderers put out a strong team against Scots College who were looking for a competitive game to get the second half of their season underway. Scots' old boys Elliott Seddon, Ishaan Gandhi and Tim Bryant played for the Wanderers, along with Scots' Senior School Dean and design teacher Clive Venter.

Scots batted first and were dismissed in the 41st over for 118. Opening bowler Rohan Thompson took 3-29 and Tim Bryant 2-18. Only opening batter Wilkie Proudfoot and Puvin Anthony reached double figures, with wides making a healthy contribution to the score.

Wanderers knocked off the runs in 21 overs for the loss of four wickets, with Harry Lancaster batting well to make 40\*, Jeremy Dean adding 19 and skipper Hamish Marshall contributing 17.

For the college team left-arm spinner Anthony took 2-18 from his four overs, while opening bowler Alex Aslan conceded just 10 runs from his four.

It was a stunning way to kick off 2023, and thanks to Scots for such a welcoming day.

# ST PATRICK'S SILVERSTREAM

20 JANUARY 2023

The Wanderers batted first and could only reach 122 all out. Nic Williams with 28\* and Ben Strang with 27 were the leading performers.

Stream knocked off the total with just three down: Tim Hyndman, Ollie Bennett and Nic Williams taking a wicket apiece. This was a special game for Wanderer Nic Williams and his son Victor, getting to bat together for the first time in a match.

# TAWA COLLEGE

22 JANUARY 2023

This match was played in a spirited manner, and it was notable that the Wanderers XI featured seven Tawa College Old Boys in their lineup. Tawa College faced challenges as several of their 1st XI players were unavailable, but this presented a valuable opportunity for their 2nd XI players to showcase their skills and gain valuable experience. Tawa coach Frans Van Straaten played a significant role in guiding the team, and he expressed gratitude for the support and encouragement his players received from the Wanderers' XI.

The Wanderers' batting performance was highlighted by an exceptional innings from Beck McDonald, who adopted a Finn Allen-like aggressive approach. Despite being dropped early in the innings, Beck smashed boundaries all over Alex Moore Park and eventually retired on a blistering 53 off just 20 balls. Tim Horne, a representative player from the Wellington Over-50s team, scored a rapid 51 and retiring after taking on the tiring Tawa attack in the latter stages of the innings.

Lachlan Bond stood out as the top performer among Tawa College's batters, smashing two towering sixes on his way to a valuable 33. His innings suggested that more impressive performances would soon follow. Jayson Davis took 2-9 off 4 overs, and Sam Lewis took 2-18 off 4 overs for the Wanderers.

# ST PATRICK'S TOWN

25 JANUARY 2023

St Pat's Town won the toss and chose to bat first scoring 173 all out. Despite a shaky start at 105-7, the College recovered and reached a defensible total, thanks to some valuable partnerships from their lower-order batters. Notably, Ollie Bennett, who batted at number 9, made 42. St Pat's old boy Yashraj Kalsi took 3-21 from his 8 overs, while Tim Hyndman claimed 2-25 from his eight overs.

The Wanderers made a decent start and reached 53-3 putting them in a promising position. However, St Pat's all-rounder Louis Ayers turned the tide by taking four wickets for just nine runs in his seven overs. For the Wanderers', Richard Sheehan made 37, and Yashraj Kalsi continued to showcase his skills by adding a brisk 21.

It was an exciting fixture, especially with the presence of several St Pat's Old Boys in the Wanderers' team, including Richard Sheehan, Jacob Madigan, Jordi Cleary, Nishan John, and Matthew Hunt.

Special thanks to St Pat's Town Manager, Marina Scoble, for organising the after-match refreshments and food, as well as for rescheduling the fixture after it was abandoned in December due to poor weather.

# WELLINGTON COLLEGE

12 FEBRUARY 2023

The Wanderers successfully defended the Roger Moses Trophy against Wellington College in an exhilarating contest. Opting to bat first, the Wanderers displayed their batting prowess by posting a competitive total of 218 runs in 40 overs. The standout performance came from opener Sam French, who played a stylish innings and contributed an impressive 80 runs.

In response, Wellington College struggled to counter Wanderers' bowling attack and were eventually dismissed for 153. Marco Muollo emerged as a key bowler for Wanderers, claiming 3-15 runs in his five overs.

Amogh Paranjpe demonstrated resilience and composure on a challenging pitch that offered spin reminiscent of sub-continental conditions, scoring an unbeaten 74 for the College.

The presence of Roger Moses added prestige to the occasion, and he presented the trophy at the end of the match.

The fixture held a special significance as eight old boys had the opportunity to reconnect and reminisce about their time playing cricket during their school days.

Appreciation was extended to Rob Pettit for his assistance in rescheduling the fixture, which was initially affected by rain prior to Christmas. Both teams are looking forward to competing for the Roger Moses Trophy next season.

# HIBS

5 MARCH 2023

The Wanderers faced off against HIBS, resulting in a victory for the Wanderers by 86 runs. They posted a total of 176 runs before being all out in 37.4 overs.

Brett Johnson, old boy of HIBS, former player for Wellington Firebirds and current Central Districts Stag, played a crucial role in anchoring the Wanderers' innings. He scored 53 from 73 balls, including four sixes and two fours. Johnson's opening partnership endured until the team reached a score of 121 before he was dismissed. Matt Wills made 30.

HIBS' bowler Soham Rawat stood out among their bowling attack with his left-arm off-spin, managing to keep the Wanderers' total below the 200-run mark.

HIBS faced a challenging task and were dismissed for 90 runs. HIBS alumnus, Sam Fraser, showcased his bowling prowess by claiming an impressive five wickets.

It was great to have two English cricketers, Connor Bettsworth and Seaver Cowley, who were playing for Riccarton CC and the Willows CC, respectively, join the Wanderers team during their time in New Zealand.

Wanderers thank the groundsman for preparing an outstanding wicket and the HIBS family members who provided a BBQ and refreshments throughout the day. Thanks also to the HIBS old boys in making themselves available for the game.

# THE DAVID GREY YOUTH CRICKET TRUST

In 2000 the Wanderers was bequeathed the sum of \$59,390 from the estate of long-time club stalwart, David Grey. The members of the club agreed that these funds should be kept separate from those of the club. The David Grey Youth Cricket Trust was formed to give effect to this decision and the funds from the bequest were settled into the trust.

The objects of the trust are set out in the Trust Deed. In summary, they are to provide, or assist in the organisation of providing, facilities, equipment and coaching which will enable students at schools to play cricket. These activities need to be within, or for the benefit of people within, the Wellington region.

The Trustees of the trust are appointed by the members of the Wanderers. At present, the four trustees are Alasdair McBeth, Murray Coppersmith, Richard Allan and Richard Dean.

The Trust is a registered charity.

The funds of the trust have been invested in low-risk, bank term deposits. Until recently, some of the income of the trust has been applied directly to the purchase of equipment, primarily cricket balls, which are provided to schools. More recently, the trust has looked to increase its reach by co-investing, alongside the Wellington Cricket Trust and the Norwood Trust, in facility improvements for the benefit of youth cricketers. In the year ended 31 March 2022 three grants were made by the Club using funds allocated by the Trust. These were:

Grants made to	Amount	Use
Taita Cricket Club	823	Practice facilities
Rongotai College	435	Balls
HIBS	2,500	Practice facilities
	<b>3,758</b>	

The projects undertaken by Taita Cricket Club and HIBS were also supported by the Norwood Trust.

The financial statements of the trust are set out below. Key features are:

- The accumulated surplus of the trust above the original bequest is \$9,706.
- In addition, the trust holds \$17,352 of funds allocated to the club but which have yet to be distributed as grants to third parties.
- In aggregate, there is \$27,058 available for allocation to projects consistent with the objects of the trust.

The Trustees have a number of potential projects under consideration for support. When grants are made, they are described as being from the Wellington Wanderers Cricket Club, in association with the David Grey Youth Cricket Trust.

**Murray Coppersmith**  
Honorary Treasurer

**WELLINGTON WANDERERS CRICKET CLUB (INC.)**  
**NOTES TO THE FINANCIAL STATEMENTS**

**1. Reporting Entity**

The reporting entity is the Wellington Wanderers Cricket Club Incorporated (the Club). The Club is an incorporated society and is also a registered charity. The financial statements are Special Purpose Financial Statements.

**2. Goods and Services Tax**

The Club registered for GST with effect from 1 July 2022. This means that the financial statements for the year ended 30 June 2023 are prepared on a GST exclusive basis, whereas the financial statements for the year ended 30 June 2022, being the comparative period, are prepared on a GST inclusive basis.

**3. Subscriptions**

The Club introduced new subscription categories with effect from 1 July 2022. One of these categories, the Dutchy Membership, includes a range of benefits as part of the subscription. Revenue from Dutchy memberships is allocated to the various revenue categories in the income statement to reflect the range of services provided.

**4. Youth Development Fund**

Youth Development Fund revenue comes primarily from donations, but for the year ended 30 June 2023 includes revenue from the sale of guest passes to the Founders' Day event.

**5. Donations**

The Club received donations from a range of benefactors during the year. Some of these donations funded specific costs of the Club and some were general donations. The Club would like to acknowledge the ongoing support of donors.

**6. Grants**

The Club was successful with a number of grant applications during the year. The amounts and the use of these funds shown as revenue in the 2022/23 financial year were as follows:

<b>Issuer</b>	<b>Amount</b>	<b>Use</b>
One Foundation	5,833	Club Administrator
Grassroots Trust Central	16,000	Club Administrator
Fours Winds	4,000	Balls
One Foundation	4,305	Playing kit
Fours Winds	3,000	Match expenses
Norwood Trust	3,000	Match expenses
	<u>36,138</u>	

The Club received a grant of \$10,000 from New Zealand Community Trust on 23 June 2023. this grant will be applied to meet expenses in the 2023/24 financial year and has been classified as a Grant in Advance as at 30 June 2023.

**7. Club Events**

Club events in the 2022/23 financial year included: Ross Taylor book launch; Founders' Day; Test Breakfast; Test Lunch and the Golf Day.

**8. Club Administrator**

The Club entered into an agreement with Cricket Wellington to assist with the administration of the Club with effect from 1 July 2022. The annual cost of services provided to the Club is \$30,000. Costs for the year ended 30 June 2023 include Cricket Wellington charges of this amount, as well as charges for the months of July and August 2022 under the Club's previous administration agreement.

**WELLINGTON WANDERERS CRICKET CLUB (INC.)**  
**NOTES TO THE FINANCIAL STATEMENTS**

**8. Club Administrator**

The Club entered into an agreement with Cricket Wellington to assist with the administration of the Club with effect from 1 July 2022. The annual cost of services provided to the Club is \$30,000. Costs for the year ended 30 June 2023 include Cricket Wellington charges of this amount, as well as charges for the months of July and August 2022 under the Club's previous administration agreement.

**9. Clubroom Rental**

The Club entered into an agreement with the Basin Reserve Trust for the rental of clubrooms in the Vance Stand with effect from 1 July 2022. The annual rental cost is \$6,000, payable in quarterly instalments.

**10. Gear and Balls**

The 2022/23 expense includes \$4,305 for new playing kit that was funded by a grant from One Foundation.

**11. Match Expenses**

Match expenses for the 2022/23 year are relatively low because adverse weather caused the cancellation of some of our matches which have the highest expense. This includes a planned trip to the Willows in Christchurch.

**12. Member Acquisition**

Costs were incurred in 2022/23 in connection with the new membership categories. These included lanyard and membership cards, which are one-off costs, as well as costs to meet the Club's obligation for member benefits (Super Smash Packs and caps).

**13. Bank Fees**

These are transaction costs incurred by the use of the Club's payments processing platform.

**14. Signage**

These are one-off costs incurred for signage in the new clubrooms as well as banners to be used at Club events.

**15. Secretarial**

These include insurance and software expenses relating to member administration. A significant proportion of these costs are met through member donations.

**16. Grants**

In 2022/23 the Club, in conjunction with the David Grey Youth Cricket Trust (the Trust), made two grants. One was \$10,000 to Wellington Collegians Cricket Club to support redevelopment of practise facilities and the other was \$5,000 to the Wellington Cricket Trust to support the High Performance Training Centre built at Wellington College. The cash payment of these grants was made by the Trust and is shown in the Club financial statements as a reduction in the amount owed to the Club by the Trust.

**17. Bank**

Bank comprises:

	2023	2022
General Funds	32,627	31,734
Youth Development Fund	2,801	450
	<u>35,428</u>	<u>32,184</u>

**18. Debtors and Prepayments**

Prepayments as at 30 June 2023 is airfares for the trip to play the Willows in Christchurch which was cancelled due to poor weather. These airfares will be used for a rescheduled trip in the 2023/24 season
