About Dutchy Du Chateau

Dutchy holds an important place in the club's history. He and John Standish developed the initial plan for the club and Dutchy was an active member for over 30 years. Dutchy and John wanted a social cricket team who, because they didn't have their own ground, travelled gypsy-like to each venue.

YOUTH CRICKET SUPPORT

Wanderers

Young Cricketers PROGRAMME

The Wanderers Young Cricketers Programme shows our commitment to supporting a wider range of young cricketers in Wellington.

Our focus is on supporting young cricketers from areas and schools that don't get the same opportunities that players from more established cricket schools get.

get the chance to work with some of Wellington's best coaches and players over the course of the season, who will be able to inspire, advise, support, and guide them along their path.

How the Programme works:

- The club select twelve 13-17 year old players each season (6 boys & 6 girls)
- From cricket schools not in the Premier Grade
- Players get x12 hours of group coaching throughout the year
- Working with a variety of Wellington's best coaches and players over a season
- Each player also receives cricket equipment.

YOUTH CRICKET SUPPORT

Every season the Wanderers CC work with various cricket clubs, schools and organisations to support youth cricket initiatives.

These include supporting the Hunt Cup (Wellington Secondary Schools T20 Competition), sending promising young Wellington cricketer to the Willows to play matches and inviting young cricketers from schools outside Wellington to join Wanderers CC fixtures and give them experience playing way from home.

WANDERERS CLUB EVENTS

TEST MATCH BREAKFAST

Breakfast at The Basin

The first morning of any Test match is always one of anticipation and hope. This is especially so when we have as our home venue the Basin Reserve, the sixth oldest Test ground in the world, and voted in the top ten Test match venues.

To celebrate the start of the Wellington Test match, Wanderers instituted a first-morning breakfast. This annual event has been an institution at the Basin for over ten years.

In that time, we have had some outstanding cricket figures to entertain us. These have included Tony Cosier from the West Indies, David Lloyd, Jonathan Agnew and Christopher Martin-Jenkins from England, Jim Maxwell from Australia, Rameez Raja from Pakistan and John Wright from New Zealand by way of India, Neil Manthorpe from South Africa and our own Craig McMillan and Ian Smith.

All of our speakers have a vast knowledge of cricket and a wealth of stories to share and we have been very fortunate to have been entertained so richly on the first morning of our Basin Reserve Tests.

There is nothing better than to gather early on the first morning of a Basin Reserve Test Match, mix with friends, watch the groundsmen remove the covers and make final preparations, see the teams arrive and celebrate the occasion with such outstanding speakers.

The Wanderers Test Match Breakfast at the Basin Breakfast is a cricketing must every summer.

WANDERERS FAMILY & FOUNDERS DAY

A Wanderers Day at The Basin

This is a club day, enjoying cricket whilst catching up with those members who have been instrumental in the administration and involvement in the club for a very long time.

Founders Day is great way to get together with fellow club members, enjoy a few pre-Christmas festivities and support the Wellington Firebirds & Blaze in a SuperSmash Double Header.

Join us at the Basin Reserve, on the grass embankment in your club colours.

WANDERERS WHITE ROSE GOLF DAY

Wandering on the Links

Wanderers has run an annual golf day since 2007. This has served two purposes; to create an opportunity for members and their friends and colleagues to get together in the spirit of friendly rivalry on the golf course, and as a fundraiser for the Club's activities.

In recent years we have used the Shandon Golf Course and greatly appreciate the assistance and support offered by Bondie (Ross Bond) and the Shandon team. The event is now usually held in the early part of the cricket season.

The success of this important day in our events schedule relies totally on the support of the members.

This is one event which should be pencilled into every member's calendar.

TEST MATCH SUNDAY LUNCHEON

SUNDAY AFTERNOON THE BASIN

We've introduced a new event for the 2022/23 season.

The Test Match Luncheon will be held on the Sunday of the Test match (normally day three).

Come and enjoy a sit down lunch and catch an afternoon the Test with fellow Wanderers Members.

The Test Match Luncheon will be held in either the new Wanderer's Peter Field Clubrooms at the top of the RA Vance Stand or in the Norwood Room.

Numbers are limited and open to 'Dutchy' Members first, then John Standish General Members.

WANDERER'S PETER FIELD CLUBROOMS

New home of Wellington Wanderers CC

In Partnership with the Basin Reserve Trust and Cricket Wellington, we've secured a new home for the Wanderers at the Basin Reserve.

The Wanderer's Peter Field Clubrooms are situated in the top of the RA Vance Stand. With 180 degree views out over the Basin Reserve, it's one of the best vantage points in the entire ground.

Wanderers Members have exclusive use of this area for matches and events at the Basin Reserve including international and domestic matches - plus all Wanderers matches.

About Peter Field

Peter Field was the Waikanae farmer who donated some of his land to the Wanderers to create our first home ground in the 1970's.

This was the venue that many current Wanderers Members began playing together and socialising on a Sunday.

WANDERERS PLAYING PROGRAMME

The Wellington Wanderers Cricket Club played its first fixtures in the summer of 1946-47 having been formed by the efforts of two men, Dutchy du Chateau and John Standish. They wanted to have a social cricket team who, because they didn't have their own ground, travelled gypsy-like to each venue.
